Have Fun, Learn English, Make Memories!

2019

Language Holidays for ages 7-10

"I MET NEW FRIENDS
AND HAD LOTS OF FUN!"
MAXENCE, AGE 8

Fun, Friends, English, Memories!

Here at Accent, we value the ability for children to start learning languages from a young age. We offer the perfect solution for younger students to join us and start developing their English in a gentle, fun way!

Younger learners will join our popular holiday club, which is open to local children from ages 5-11. Here, your children will spend their day mixing and making friends with local children as well as exploring the local area, participating in arts and crafts, games, cooking and much more.

Children can continue to work on their English skills using our interactive language software during the club, with a more formal one-hour lesson also provided each day. These classes are kept to small groups of no more than 1:8, so children all receive the attention they need.

Children can come with parents and stay with you, or else we can offer our hosting option and have the children hosted in pairs (or trios) with one of our host families.

Why Guernsey?

Guernsey is the ideal place for your child to learn English in a safe, fun and stimulating way.

Since 1990, Accent has been bringing students to Guernsey to stay in host families, immerse themselves in the English language, make lasting friendships and great memories as well as experiencing the Guernsey way of life! Our ABLS Accreditation also ensures our quality.

Our host families are checked by us and hold police clearance checks, to ensure all students' safety. Our host families are specially chosen to ensure your child is welcomed into a happy, caring home

Every member of staff in Accent hold "DBS" checks, and most also have first aid certificates.

Host Families

Children will be hosted in pairs, with placements of up to four children per host family possible.

In Safe Hands

Our Language stays run from a Sunday until the following Saturday, with a chaperone ensuring your child gets to and from safely.
