YOUR

WHEN YOU ARRIVE

Transfer Service

Our staff will be waiting to meet you at the Arrivals exit point and will be wearing their Bede's t-shirts

In the unlikely event of there being any problems, do not leave the airport or train station. Go to the Information Desk and ask for help.

Check In

Travel Documents

You will need to hand in your passport and travel documents on arrival.

Pocket Money

You may bring up to $\pounds100$ in cash — or equivalent in foreign currency — per week and you must hand it in on arrival. Pocket money is kept in the centre bank and small amounts can be withdrawn daily at arranged times. If you bring foreign currency, we can change it for you at the bank. If you need more pocket money during your stay, your parents can send more by credit card.

Medication

If you are taking any medication, you must hand it in when you arrive. All medication must be kept safe in the Centre Director's office and not in your bedroom. We will only accept responsibility for drugs licensed in the UK. We will accept medicines prescribed by a doctor from your country, only with an English translation.

Valuables

Bede's cannot accept any responsibility for lost or damaged clothes or personal belongings. If you do bring any expensive jewellery, electronic games, phones, PDAs or tablets to Bede's, please hand them to the Centre Director for safe keeping.

Phone Home

As soon as you have checked in, you should phone your parents to let them know you have arrived safely. If you need help phoning home, ask your House Parent or the Welfare Manager.

ID Card

You will be given a personalised ID Card which you must keep with you at all times. If you lose it, there will be a £5 charge for a new one.

ACCOMMODATION

Boarding Houses

Bede's will decide which Boarding House students will sleep in. We will make these decisions based on criteria such as students' sex, age and nationality.

Bedroom Policies

Where possible, we will try to place younger students (6-10 years) in a larger bedroom with at least one child of the same nationality.

Older students will usually share a bedroom with 2 or 3 other students, where possible, of different nationalities. We usually reserve single accommodation for older students or for students with a special need for privacy.

Bedroom Requests

We will consider individual requests and will accommodate these where possible. However, such requests are subject to availability on arrival and will not be accepted by Bede's as a condition of any student joining the programme.

Staff Accommodation

Staff are accommodated in the same sleeping areas as the students but staff and students will never share the same bedroom. Where shower facilities are shared, we establish different staff and student times for using the facilities.

Bedroom Deposit

A bedroom deposit of £80 or €90 is required, payable in cash, when you check in.

If any damage occurs in your bedroom, you will forfeit up to 100% of the deposit paid, depending on the anticipated repair/replacement costs.

If you have looked after your bedroom and there is no damage, your deposit will be refunded to you in full when you leave.

Laundry

Laundry is done at least twice a week, usually one white wash and one coloured wash. Put your clothes in a laundry bag or washing basket and when the washing has been done and dried, we will return it to you. Your House Parent will let you know when the washing days are for your House.

LESSONS

Placement Test

After arrival, you will sit a placement test with three sections: speaking, grammar and writing. The tests take about $1\frac{1}{2}$ hours to complete in total and they are marked by Bede's teachers. The results of the three tests form the basis for creating the different classes.

How classes are created

Classes are created according to two basic criteria: students' English level (as determined by the placement test) and their age. Where possible, the Academic Manager will mix the nationalities in the classes but this is not a deciding criterion and we cannot guarantee any maximum quota by nationality/language in the classes.

Materials

You will be given a Bede's folder for your classwork, a vocabulary book and a Bede's pen. Please look after these materials properly and make sure your classwork is organised at all times.

Levels

There are 7 levels from Beginner to Proficiency.

	LEVEL	COMMON EUROPEAN FRAMEWORK
1	Beginner	A1
2	Elementary	A2
3	Pre-Intermediate	A2
4	Intermediate	B1
5	Upper Intermediate	B2
6	Advanced	C1
7	Proficiency	C2

Progress Tests

Each week, you will be given a short test by your English Skills teacher to monitor your progress and make sure you have understood what has been taught in that week.

Certificate and Report

In the Leavers' Ceremony at the end of your stay, you will receive a Course Certificate and an Academic Report from your English Skills teacher.

English Skills

StoryTime

Working on a different children's story every day, these lessons develop students' listening skills, extend their everyday vocabulary and stimulate their creativity.

Explorations

These lessons use CLIL methodology to enhance students' general knowledge as well as their language skills, and are based around the following subjects: science, environment, ecology, space, energy, geography, technology and history.

Enrichment

Students develop their receptive and productive English skills and deepen their cultural knowledge (of the UK) using real-life materials such as adverts, leaflets, TV programmes, short films, newspaper articles and magazines.

Research Project

Working in groups, students complete research tasks based around a weekly topic and then present their work to the class by way of a sketch, performance, poster, news story or short film, developing not just their English but also their interpersonal skills.

Adventure Activity

Adventure Activities offer students a practical lesson outdoors, focussing on productive and receptive communication skills such as orienteering, problem-solving, survival skills or bushcraft activities.

Food

You need to understand that the food served at Bede's will not be the same as you have at home.

As there are students from lots of different countries, the menu at Bede's is a mix of English and International food.

There are always 2 hot choices available for lunch and dinner and there is always a salad bar. In addition, there is always a vegetarian option at meal times.

Having different food is part of being in another country and being at Bede's is a great opportunity to try some new, typically English dishes.

Sample Daily Menu

BREAKFAST	LUNCH	DINNER
Choice of cereals and milk	Roast beef or chicken	Spaghetti bolognaise
Selection of breads and pastries	Vegetarian lasagne	Vegetable curry and rice
Toast, butter and jam	Roast potatoes	Garlic bread or poppadoms
Scrambled eggs	Carrots and cabbage	Salad bar
Fruit	Salad bar	Chocolate gateaux
Orange juice	Cheese and biscuits	Fruit
Tea and coffee	Water	Water

There will also be a small snack and drinks at morning break and in the evening after activities, for example: a piece of fruit, a cereal bar, biscuits, a doughnut or a small sandwich.

You must go to all meals. Bede's staff will help you to find things to eat if you don't recognise the food.

AFTERNOONS

On Mondays, Tuesdays, Thursdays and Fridays, you will take part in sports and activities after lessons.

- Sports on offer might include: football, tennis, basketball, squash, badminton, rounders, volleyball and cricket.
- There are always some non-sport options available such art, drama, dance, fitness or recreational activities such as chess or origami.
- Some activities, e.g. mountain-biking, may take place at specialist venues nearby.
- Academies take place instead of general afternoon sports/activities.

At some centres, students will choose their afternoon activity at the start of the session. At other centres, there will be sign-up system for students to give their preferences beforehand.

At the end of the course, students will receive an Activities Diary which lists all the different sports, activities, social events and excursions they have participated in.

For some activities such as mountain-biking or swimming, there are limited places available so students are required to sign up in advance. Priority is given to students who have not taken part in that activity yet at Bede's.

Afternoon sports and activities are compulsory and all students must participate.

EVENINGS

Social Events take place in the evenings and are organised and supervised by Bede's Activities Leaders. They can be games, tournaments, knockouts, shows or trips to local recreational facilities for your entertainment and amusement.

They are designed to encourage you to mix with other students, make new friends and speak English in natural, real-life situations.

Social Events may include:

- African Drumming
- Bede's Got Talent
- Disco
- Fashion Show
- Formal Dinner and Dance
- House Competitions
- Karaoke

- Messy Games
- Mini Olympics
- Music Quiz
- Nerf Wars
- Pantomime
- Pool Party
- Treasure Hunt

Social Events are compulsory and all students must participate.

EXCURSIONS

Excursions are visits to places of interest and are a great way for you to see more of England and learn something about the history and culture of this country. You will also have the chance for some free time and to do some shopping.

For your safety, we adopt the following policy about supervision:

AGE	POLICY
6–12	Students are accompanied and supervised by Bede's staff at all times
13–18	Students are allowed some free time away from the staff, but must stay in groups of at least 3 students

No exception can be made to this policy, even if parents give their consent.

Excursions take place on Saturdays and Sundays with a trip on Wednesdays.

Wednesdays

Trips are a half-day afternoon/evening visit and may involve visiting a local place of interest, in a nearby town or an off-site activity.

Examples include Battle Abbey, Brighton Museum & Art Gallery and Seven Sisters Country Park.

Saturdays

All students go on an educational trip to London. You might go to a Palace, a Museum or a Cathedral; the excursion may also include a London Tour.

Some examples are: Tower of London, Buckingham Palace and Natural History Museum.

Sundays

Excursions are a more relaxed visit. You will visit a local town or seaside resort where there is time to relax on the beach, walk along the promenade, go to the pier or go shopping for presents or souvenirs.

Examples are: Brighton, Chichester, Eastbourne, Hastings, Portsmouth and Worthing.

Excursions are compulsory and all students must participate.

FREETIME

You have some free time every day in the afternoon and evening after activities when you can relax with your friends and practise your English.

You can also use the internet to contact your family and friends back home.

If you prefer to be active, you can borrow some sports equipment and organise a game of tennis, football or basketball with other students or with the staff.

Here is what you can and cannot do during your free time:

If your parents wish to phone you at the centre, they should speak to the Welfare Manager to arrange this. If you need any help making or receiving phone calls, see the Welfare Manager.

ABSENCE

During your stay with us, your safety is our responsibility — that is why we must know where you are at all times. It is important that you attend all lessons, activities, excursions, meals, meetings and registration times.

The only valid reason for being absent from any compulsory part of the course would be if you are sick. If you are sick, you must inform Bede's staff immediately; you must not just stay in your room alone.

Students who are absent without good reason will be subject to sanctions issued by Bede's staff. Persistent absence may result in you being sent home.

If there is an emergency, we will call an ambulance.

Only enter the building again when you have permission from the staff or from the Fire Service.

Never enter a building if the Fire Alarm is ringing.

Bede's staff will show you the quickest escape route from your bedroom when you arrive

Fire Prevention

It is important that we do everything we can to reduce the risk of fire:

- 1. Do not use irons or similar items in your bedroom. Speak to your House Parent if you would like to iron your clothes.
- 2. If you use hair straighteners, do not put them on a carpet or bed when hot and make sure you unplug them after use.
- 3. Do not plug more than one electrical item in one socket.
