## General Spanish courses

### Intensive

The Intensive course includes 20 to 25 Spanish Group lessons depending on the chosen destination. It aims at developing your communicative competences in the four main skills: speaking, reading, listening and writing.

### Super Intensive

This course can include 30 Group lessons or 20 Spanish Group lessons plus 10 Private lessons depending on the chosen destination. It is meant to help you deepen your learning experience and to accomplish a higher level of proficiency of the Spanish language in a shorter time. You will improve your learning experience following the regular syllabus but with more lessons per week you will be able to work on your weak points and other topics of interest.

### Immersion

This course includes 20 Spanish Group lessons plus 5 Private lessons or 4 Group Cultural lessons depending on the destination. The Immersion course gives you the possibility of learning a language with a deep insight into the culture. You will develop the main skills of communication and the use of language in context and social appropriateness.

### Private

Depending on what school you choose you can take courses from 10 up to 30 Private lessons. This course is designed considering your individual needs and expectations. It is perfect if you do not have much time to study and want to focus on a specific area.

## Programs for all Ages

### Junior Program
