d. Balance for accommodation, insurance, transfer, bank charges is due in full before visa application and at least 4 weeks before arrival if a visa is not required.

e. Coaching services performed by local partner are payable directly by the student. Payment for coaching abroad may be collected as a transitory item by EURASIA and transferred to the partner. The billing for such services is made by order and on account of the partner according to the services provided and the relevant prices.

f. Consultancy Charges: Additional service charges levied by the local partner are not regulated by EURASIA.

g. Methods of Payment: Bank transfer, cash deposit, bank draft, credit card, Western Union and PayPal are accepted. Student must bear all transaction charges. Student agrees to pay an additional transaction fee of 3,5% on any payment made by credit card.

h. EURASIA may charge fees and interest on overdue payments at 5 points above the basis rate in the EU according to §288 BGB.

i. Terms mentioned in application forms, offer letters and price lists also apply in addition to these general terms and conditions.

§5. Tuition delivery, Class Size and Learning Assessment

a. On contract validation and receipt of fees, EURASIA delivers the educational programme as per the relevant service tier.

b. The following modules are delivered: assisted self-study, live online courses in EURASIA-KLETT learning management system, face-to-face offline classes abroad, in Berlin and on a university campus.

c. EURASIA determines the location and duration of each phase to maximise student's chances of successful completion.

d. Fees for self-study and live online courses are non-returnable as soon as the course login details have been sent to the Student.

e. Language tuition groups have about 12-15 students on average. The number may be exceeded up to 18 in exceptional cases, e.g. due to repeating a level within the success guarantee. Group sizes at university may be larger.

For groups of 8 or less students, the duration of classes may be shortened by up to 50%.

f. Pathway programmes encompass up to 32 weeks of language tuition depending on the programme including up to 5 CEFR levels (A1-C1) and one additional university entrance exam prep course.

g. Courses are organised in the morning, afternoon or evening. A lesson plan is given to the student on arrival.

h. Student's learning progress is regularly evaluated through level tests. All students must pass a level test to proceed to the next level.

i. Telc B2 and C1 exams are held regularly for CEFR levels. Student must register for each exam in time. Pathway packages include fees for one telc exam only. The student must apply for other exams in advance. External exam fees are not included.

§6. Special Terms for Academic Pathway Programmes:

a. University procedures vary and are confirmed on application in writing to student with the offer letter.

b. Qualified students receive an offer letter or confirmation of eligibility before departure from their home-country. Admission and matriculation are not guaranteed unless specifically stated and are subject to fulfilling specific requirements.

c. During the pathway student must pass all level tests as well as any additional test required by the university.

d. Pathway students with success guarantee who do not pass the final exam may repeat exam prep courses if they register within 4 weeks of getting their exam results and have 100% attendance.

e. University placement counselling is restricted to one university only unless specifically mentioned in the service tier booked.

f. If student is not qualified for university entrance and the application is stopped prematurely on the decision of student then the fee may be returned after deduction of all costs incurred in the application process. This will amount to a minimum of 250€. Transfer to a vocational or career pathway may be made free of charge.

§7. Obligations of Student

a. Student must confirm the authenticity of all documentation and correctness of personal information and take part in the pre-visa briefing. Documents must be complete, exhaustive and accurate. Student will bear any costs and legal consequences resulting from failure to observe the above. Visa denial due to false or incomplete documentation will be treated as a cancellation for which student pays cancellation fees (§10). The same applies if student fails to organise the financial backing required to apply for student visa. If there is a delay in the visa process, Student is obliged to follow courses provided by EURASIA whether online or offline. If a German consular office requires a certain exam such as Goethe Institute, telc or OSD then the student must register for the same at his own cost.

b. Student is obliged to complete all phases of the pathway programme in the foreseen schedule. This involves moving to the location of the course in time for the course to begin, as well as passing all necessary exams. Failing an exam does not entitle student to cancel.

c. 100% punctual attendance is obligatory whether in online or offline courses. Teachers may exclude late students from the classes. In case of sickness

Party B must inform the school immediately so that parents can be informed and consulted if necessary.

d. In pathway packages with success guarantee the student may repeat a course level free of charge provided student has 100% attendance and full fees have been paid. Exceptions are made for official doctor's notes and unavoidable university or immigration appointments.

e. A student with less than 100% attendance who fails a course level must pay **120€ per week** to repeat the level. Repetition may be subject to delay if a class seat is not available. Fees are payable for additional exams and are subject to change without notice.

f. If student continues to be absent without permission after receipt of a warning, he/she may be ex-matriculated – tuition fees will not be returned. If Student has a visa for the programme and does not attend courses, EURASIA is obliged to inform the immigration authorities. Abuse of visa will lead to deportation.

g. Student signs the arrival form and sends to apply@eie.eu for reconfirmation at least 10 working days before the planned starting date. If student fails to keep to this procedure, services cannot be guaranteed and student must pay for any resulting costs.

h. On arrival, student participates in the mandatory registration day and placement test. EURASIA reserves the right to place student in a lower course if the test performance is unsatisfactory.

§8. Special Terms for Group Bookings including Legal Minors

a. Validity of Contract: The contract is valid if the application is made by the deadline and the minimum number of students is given. The deadline for application is 4 weeks before the start date for students not requiring a visa or 2 months if a Schengen visa is required. The minimum number of students for a group booking or camp is 15 persons. If the minimum participation number has not been reached by the application deadline, EURASIA reserves the right to cancel the booking.

A full refund of all fees paid will be issued if EURASIA cancels the booking. Claims for damages due to cancellation are invalid.

b. Programme Content: EURASIA is responsible for the planning and realisation of the programme content as agreed on with the contract partner. The programme begins and ends with the airport transfer. The provisional program is released after confirmation of booking. Activities are offered every day and at least one full-day excursion each weekend. The activities and timing of the programme depend on the service tier booked. EURASIA reserves the right to make alterations in the program and adjustments to the timetable.

c. Accommodation and Board: EURASIA provides accommodation in hostels, homestays or hotels with B&B, half-board or full board depending on the service tier booked. Meals may be given at the accommodation, restaurants or at the school canteen, or handed out as packed meals, meal vouchers or in cash form. Special dietary needs MUST be written and given in the booking form - failure to do so will mean that EURASIA cannot guarantee meeting these needs. Timing of meals is flexible and is timed to fit in with the activities and class schedules.

d. Unforeseen Circumstances: if visa refusal causes the participation number to drop below 70%, EURASIA may cancel the booking up until two weeks before the arrival day. In this case EURASIA may offer a suitable alternative during the same period. If the student does not accept the alternative offer, a refund of fees paid will be made after deduction of any costs according to §10. The services can be adapted to the budget of the actual number of participants.

e. Payment Issues: For custom-made GROUP bookings, the contract partner is the group owner, such as school or university. Party B may have to pay reservation fees to third-parties such as hotels. These will be mentioned in the invoice and are in most cases non-returnable. The price quoted is valid for the number of students originally agreed on in the contract. The contract partner is obliged to pay the agreed total amount even if some students cancel. If the contract partner is unable to pay the said amount, EURASIA reserves the right to adjust planned activities within the adjusted budget.

f. Supervision and Care: Party B agrees that the full responsibility of providing supervision and care to the students whether adult or legal minor is transferred to the group leader representing Party B and accompanying the group from their home country. The contract partner agrees that the role of EURASIA and its staff is limited to the support of the group leader in supervising the group and to informing Party B of any potentially harmful situation.

g. Exclusion of Liability: EURASIA bears no liability for injuries or damage to life or health unless it can be proven that the same were caused by gross negligence on the part of EURASIA or its authorized staff. EURASIA cannot be subjected to legal or financial claims unless their staff has acted with gross negligence, intent or violation. Party B accepts responsibility for any damages or costs that might incur. EURASIA cannot be made liable for any damages or losses incurred to personal property. EURASIA may pursue legal recourse if damage claims are raised by the contract partner.

h. Behavioural Code: Student agrees to respect the regulations and rules set out. EURASIA will take disciplinary action if these are broken. The students agree to follow the German laws and behave appropriately and respectfully towards the organizers and others. The use of alcohol, drugs and tobacco by the student is not permitted at any time. If the student disobeys this policy EURASIA will issue a final warning. If the warning is fruitless, EURASIA may exclude the students from activities and in severe cases send them home. In such cases the legal guardian must bear the additional travel costs as well as any payments for damages. Participation fees cannot be refunded.

i. Accompanying of Juniors: Juniors must be accompanied by the Party B group leaders at all times of day. It is not permitted for juniors to leave the group or their group leader at any time. Should any student leave the group without permission, the group leader is obliged to issue a warning and to contact the student's guardian. The group leader is fully responsible for the student's health and safety. Juniors living unaccompanied at a homestay and travelling to and from school alone are responsible for their own safety unless otherwise agreed with the contract partner. Pupils are not permitted to leave their group unaccompanied by an adult at any time, no matter whether during activities, lessons or while at the accommodation.

§9. Special Terms for Long-Term Accommodation Bookings

a. Contract Object: EURASIA provides homestays, student dorms and apartments as long term accommodation for students for the duration of studies. These bookings are exempt from VAT according to §4 UStG.

b. Contract Validity: Student enters a legally binding accommodation contract on signing and EURASIA reserves the same for the student.

c. Accommodation Standards: Student has a single room to study, sleep and store belongings. Cooking, laundry and bathroom facilities are shared with other students or residents for all accommodation types except private apartment. Student is aware that public transport from the accommodation to EURASIA may take from 30 to 60 minutes.

d. Arrival and Postponement: The rental contract begins on the day of the booked period. Delays in arrival do not entitle student to a reduction of payment. If the contract is terminated due to visa refusal and the student informs EURASIA in writing within 3 days of visa refusal the contract may be cancelled free of charge. Failure to inform EURASIA of visa refusal will result in cancellation charges according to Paragraph §10a, whereby the minimum fee is 250€. If student has not received the visa 4 weeks before the booked date of the accommodation, he/she must inform EURASIA if intending to postpone the date of commencement of accommodation. Failure to inform EURASIA will result in cancellation charges, even if the visa is refused.

e. Rental Payment: The weekly rental fees charged include rent, administration, heating, electricity and all utilities. Additional fees may be charged for regular,

intermediate and final cleaning as well as heavy-duty maintenance cleaning.

f. Accommodation Extension: To extend the contract after arrival, an additional booking must be made at least 6 weeks in advance.

g. Change of Accommodation: If student requires replacement accommodation due to personal preference or is asked to leave the accommodation due to disregard of the house rules, an administration charge of 250€ per move is payable to EURASIA. All removal costs are paid by student. A replacement is not guaranteed by EURASIA in this case. Student may not make a private rental contract with the homestay after the contract with EURASIA ended. If a student should do this anyway, then EURASIA will issue an invoice to the amount of the key-money deposit.

g. Payment for Accommodation: Student pays for the accommodation in full to EURASIA on receipt of the invoice and before receipt of the visa documentation. If visa is not required, full payment is due at least 6 weeks before entering the accommodation.

h. Cancellation of Accommodation: If accommodation is cancelled, the following cancellation fees will be charged: 35% for at least 60 days in advance, 65% for 30-59 days in advance, 100% for cancellation 1-29 days in advance. After arrival there is no possibility to cancel the accommodation for bookings of up to 12 weeks. For accommodation longer than 3 months, cancellation notice may be given 3 months in advance to the end of the rental month. A cancellation charge of 35% is payable for the cancelled period unless the student is able to provide a new third party to fulfil the contract in his/her place.

i. Key-money and Breakage Deposit: Student pays a returnable deposit to EURASIA before moving into the accommodation to cover breakages, loss of keys, damages not covered by the insurance, failure to pay rent and unpaid telephone bills as well as cleaning, decorating and repair charges. The fee is returned in full after receipt of the signed deposit release form and the police registration from the new address. The forms are to be handed in within two weeks of leaving the apartment. If student does not leave the accommodation on expiry of contract, then an administration charge of 100€ per week will be charged to student in addition to the monthly rent. If leaving the country after the course, student must complete deregistration formalities with the police. All necessary documents are available from EURASIA. Failure to do this will result in a 250€ charge being deducted from the deposit as this causes unnecessary expenditures to EURASIA. Deposits are returned to student by bank transfer only. Cash returns are not made under any circumstances.

k. Damages and Insurance: Student must document all damages to the accommodation in the check-in and check-out reports. Student is obliged to report all damages immediately and is responsible for all undocumented damages reported after leaving the accommodation. Student must purchase insurance through EURASIA for the duration of accommodation. The liability insurance includes a 10% excess - minimum 125€ per breakage or damage - within rented property. Student must pay for any breakages not covered by the liability insurance and must leave the accommodation clean and tidy with furniture in its original condition.

l. House Rules and Regulations: Student must adhere to the house rules concerning living in the homestay or student residence. If not observed, EURASIA may terminate the contract notice and may decline to find a new accommodation for student. Student must read and sign the house rules before entering the property. The signed house rules constitute a part of the study abroad contract.

§10. Termination of Contract and Refund Policy

a. Refunds in Case of Visa Refusal: The student is entitled to a refund only in case of a visa refusal. Refunds will not be made under any other circumstances. If the German Consulate requires or enables student to attend part of the course on a Schengen visa, then this may not be construed as a denial of visa and student should follow the instructions of the Consulate. Course fee deposits and other fees paid will be refunded in full after deduction of services used provided the visa was refused in written form by the German Embassy or Consulate and the appeal has failed. If student wishes to end the procedure without undergoing appeal procedure then a cancellation charge of 897% of total fees invoiced will be levied. In order to apply for the refund the Student must provide the original refusal letter from the embassy, a copy of all pages of the passport used and the return of all original documents given to student for visa application. If the visa was refused due to the inability of student and/or parent/guardian to prove sufficient finances to cover living costs, then the case will be treated as a normal cancellation subject to a minimum cancellation fee of 35% of the total fee (see §7a). Costs incurred by EURASIA (pre-arrival support, application fee, courier fees, bank charges, appeal fees, any language programmes within the framework of the multi-phase programme such as face-to-face or online classes, exam fees, renewal of the university offer letter, accommodation fee etc.) will be deducted from the deposit made.

b. General Refund Policy: After receipt of student visa, course fees cannot be refunded under any circumstances. In countries where visas are not required to participate in the course, the minimum cancellation charge for non-participation for whatever reason is 35% of total invoice. Should the cancellation be made for any other reason before issuance of visa the following cancellation charges apply: 35% for 60 days or more, 65% for 30 to 59 days and 100% for 1 to 29 days before course start date. If student stops a course or service prematurely, this does not qualify student for a refund of fees. This also applies to third party programmes with surcharge fee (see §10d). Furthermore, finishing the course early as a result of passing the relevant examination or jumping classes do not entitle student to a refund.

c. Cancellation of Insurance: After issuance, cancellation of insurance is not permitted unless student is formally matriculated at a university and holds a valid state student insurance policy. This does not apply to insurance for part-time jobs. Insurance is a legal requirement and cannot be cancelled without providing proof of insurance. In this case a 35% cancellation charge is payable on the unused portion of the insurance. One month's notice must be given and a minimum cancellation fee of 35€ will be charged.

d. Cancellation of Third Party Pathways with Surcharges: The following cancellation charges are made for programmes with surcharges: 10% if the student fails to qualify twice by failing the entrance exam; 20% if the student fails once and is accepted elsewhere. 35% for quitting voluntarily. These charges apply to the surcharge and are additional to the cancellation fees mentioned in §10b.

§11. Jurisdiction, Severability and Mediation Procedures

a. This contract is valid from the date of signing by Party B.

b. Should any disputes arise out of this contract, the same will be regulated according to German law. Place of jurisdiction is Berlin.

c. EURASIA is willing to participate in mediation procedures should an unsolvable dispute arise within the framework of this contract. Consumers may approach the relevant mediation organ of the European Union in such cases <http://ec.europa.eu/consumers/odr/>.

d. Severability Clause: If any clause, or portion of a clause, in this Agreement is considered invalid under the rule of law, it shall be replaced by a clause which conforms to the law and which comes closest to the original purpose of the clause while the remainder of this Agreement shall continue to be in full effect.

EURASIA reserves the rights to make changes to the Terms and Conditions.
