

France – Amboise / Eurocentres

# Sample Student Timetable

This timetable gives an idea of the different kinds of language learning activities which take place at Eurocentres Amboise. The actual programme on any particular course will, however, reflect the level and needs of the class. Our teachers establish group and individual needs with their class and then plan their courses integrating those needs into the defined Eurocentres language learning content for the level concerned.

## 20 Basic and 25 Intensive

	Monday	Tuesday	Wednesday	Thursday	Friday
