

The legend of King Arthur is one of the most famous stories in English history. Although there is some debate about whether King Arthur really existed, there have been books and films about the story for generations. The south west of England has some beautiful King Arthur heritage sites which students have the opportunity to explore at LAL Tavistock.

Students who choose this programme gain one additional full-day excursion per week to a King Arthur-themed destination:

Glastonbury Tor & Abbey

Take a trip to Somerset to visit Glastonbury Tor, a site of religious and historical significance for over 1000 years. The Tor has an important place in Arthurian legend as the burial site of King Arthur and Queen Guinevere after the alleged discovery of their bones there in 1191.

Next explore the ruins of Glastonbury Abbey, once one of the richest and most powerful monasteries in England, founded in the 7th century. The Glastonbury area, including the Tor and the Abbey, is believed by some to be Avalon, the beautiful island referred to in Arthurian legend.

Tintagel

Visit Cornwall to see the iconic ruins said to be King Arthur's castle, full of history and legends. The site has been inhabited since the late Roman period but was given international fame when it was linked to King Arthur in 1138.

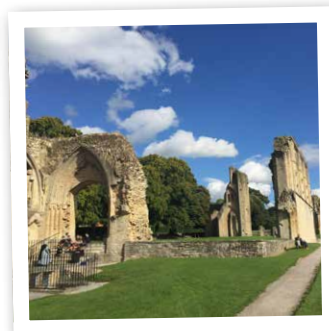

Enjoy fantastic ocean views and stunning scenery as you explore this legendary site - and don't forget to look out for the mysterious cavern known as Merlin's Cave!

Our summer school at Mount Kelly complements the King Arthur Sightseeing Summer School programme with on-site activities that link to the King Arthur theme. Students can choose to make shields and swords in their arts and crafts sessions. During our exciting auction night one of the prizes is 'King or Queen for the Day', so we have our very own King Arthur or Queen Guinevere in the student body!

The King Arthur Sightseeing Summer School can be taken for 1 or 2 weeks, starting on any Wednesday from 11 July - 15 August 2018. Please note that some aspects of the Classic Summer School programme will be missed when students go on their King Arthur Sightseeing excursions.
