

LEARN & SMILE IN THE SAME LANGUAGE

The image shows an aerial view of the Lines Valbonne campus. The campus is built into a hillside, with several modern, multi-story buildings featuring large windows and balconies. Some buildings have green roofs. The campus is surrounded by dense green trees and vegetation. In the background, a large, rugged mountain rises under a blue sky with scattered white clouds. In the foreground, there is a red running track and a green field. The overall scene is bright and sunny.

# LINES Valbonne Tutorials

Tutorials are an important aspect of the students' academic day.

2 x 45 minutes are dedicated to tutorials daily.

Tutorials are a great opportunity for students to get the most from their experience inside the classroom.

Teachers use tutorials to ensure that students are managing their work and understand what materials they are covering in class.

LINES regards tutorial lessons as vital because they allow:

- Students to get extra help
- Teachers to revise work done in class
- Teachers to discuss about academic excursions
- Students and teachers to discuss any problems
- Students to complete any work or tasks set out in class
- Students to share their experiences

# LINES Valbonne Workshops

Workshops are a very important part of the LINES experience.

They provide an active learning environment where students can interact and communicate using the French language.

2 x 45 minutes are dedicated to workshops daily.

Students will undertake their chosen workshop for a period of 1 week, after which they can change.

Workshops should be selected during enrollment to ensure a place in chosen workshop.

## Juniors & Seniors

- Drama
