Hi! Hola!  
Salut!  
Ciao! Nihao!

Close your eyes and imagine your language holiday. What do you see? Energetic young people who are having fun learning? That's the way it really is with Sprachcaffe: You meet interesting young people from all over the world, explore new destinations, enjoy the sun, the beach and the ocean or fascinating cities – and also learn your chosen language. Language holidays expand your horizons. You experience new cultures and the world becomes your home. Whether in Malta, Toronto or Montréal, in Brighton, Eastbourne, Exmouth or London, in Barcelona or Málaga, in Rome, Firenze, Frankfurt, Playa Del Carmen, in Nice or Paris, in Beijing, Los Angeles, New York or Boston – you will gather lots of new impressions, have loads of fun and literally join in the conversation everywhere!

## OUR COURSES

Acquire oral skills and gain confidence in a foreign language on our Standard Course (Mon-Fri, 20 lessons, weekly = 15 hours). Furthermore, expand your vocabulary, improve your grammar and polish your writing skills. The Intensive Course (Mon-Fri, 30 lessons, weekly = 22.5 hours) builds upon the Standard Course. This course emphasizes speech and focuses on the 4 skills: reading, writing, speaking and listening. You will get a certificate of participation upon completion of every course.

## TEACHING TIME

Normally, the Standard Course is from Monday to Friday from 9:00 to 12:30. Students on the Intensive Course will also have lessons between 13:00 and 14:30. The exact teaching times can vary according to course location. Alternatively, classes can take place in the afternoon. One lesson consists of 45 minutes instruction.

## EVALUATION

For most of the schools you will take an online language test before starting your course. Otherwise the test is done on Monday at the school. Afterwards you will be placed in a group according to your language skills. Each group has a maximum of 15 students.

## LEISURE

We offer an exciting and varied leisure programme for the afternoons and evenings. You will get to know the area around the school through full-day excursions at the weekend. Generally, 1 full-day excursion and 2 half-day excursions are held during a 2-week language course. In a 3-week language course we offer 2 full-day excursions and 3 half-day excursions. At most of our destinations we also offer a variety of additional activities for a small surcharge. Of course you will have afternoons and/or evenings off to pursue your own interests as well.

## SUPERVISION

You will be accompanied by our „Teamers“ who have been specially trained by us. The Teamers are between 21 and 30 years old and from different countries throughout Europe and America. Therefore, only the national language will be spoken at the destination. The Teamers enjoy spending time with you, will live in the residence with you, accompany you throughout the day and also organize the leisure programme.

If you have any questions or special requests the Teamers will help you at any time! One Teamer works with 15 students. Students who are 18-21 years of age will be able to enjoy the complete support of the Sprachcaffe Teamers. They are not bound to the Sprachcaffe leisure programme but may join any activities from the programme that are of interest to them. Students of 17 years or younger will be expected to follow the leisure programme and curfew as directed by Sprachcaffe.

## ACCOMMODATION

You have a choice of accommodation as we understand how important it is for you to feel comfortable. You can choose between homestay or residence – everyone finds the perfect home at Sprachcaffe!

### Homestay

Daily contact with the local people, learning about eating and living habits and using your language skills right away: These are some of the essential benefits of choosing a homestay. You will share a room with 1 or 2 students. We cannot tell you in advance if it will be a room with 2 or 3 beds. A lot of the host families don't live in the city centre, so you may have to walk a bit and/or go by public transport to school. Therefore, you should include transportation costs in your travel budget. A seven-day ticket costs between 12 € and 30 €. Though most of the homestays are equipped with Internet access, it is not included and you are advised to kindly ask your hosts whether you may use Internet in your accommodation. Otherwise you will find plenty of Internet cafés in the city centre. The ability to adjust to a different lifestyle and respect other cultures is essential if you choose homestay accommodation.

### Residence

A great alternative to a homestay, especially for those who like, and are allowed to have more free time. Staying closer to the school is convenient and saves time. Moreover, you will meet other language students from different countries so you can use your new language skills straight away. The Teamers also stay in the residence.

### Club Village

In Malta you can stay in the Club Village, our unique campus with school, restaurant, sports facilities and swimming pool. You have the choice of various room types (from 2 bedded rooms to 7 bedded rooms). The Teamers also stay in the Club Village.

### Joint accommodation

If you would like to share a room with your friends, you should let us know at registration so we can take this into consideration. Please note that we cannot guarantee all joint accommodation requests.

### Allergies or dietary requirements

We ask you to let us know of any allergies or any dietary requirements when booking. We particularly need explicit information regarding allergies. Please also let us know if you have to take medicine regularly so we can inform the Teamers and, if necessary, your host family. Depending on the type of allergies and/or dietary guidelines, we might ask for a surcharge.

## MEALS

Generally, you will be provided with breakfast, dinner and a packed lunch (with a sandwich, drink and dessert) or a hot lunch. The meal is always something typical of the country. Please consider that this is not all-inclusive catering so you will often only get tap water with your meal. You need to purchase your own drinks and snacks outside of meals.

## ARRIVALS AND TRANSFER

Please inform us about your full flight details (airline, flight times & number, terminal) at least 4 weeks in advance so we are able to arrange the transfer.

There are different transfer times depending on the destination. Detailed information about transfer times and transfer airports can be found on the school's individual page.

As we offer group transfers it might take a bit of time until you leave the airport for your accommodation. In the meantime you will have the chance to get to know your new classmates at the airport.

Please have some patience on arrival at the destination as check-in time is generally in the afternoon. Also you may have to leave your room in the morning on the day of departure. You are also required to pay a key deposit if you stay in the residence (please include this in your budget). You will get this deposit back on the day of departure, provided there is no damage to the property or furnishing.

### General arrival and departure days

Arrival is usually on Sunday and departure on Saturday. Please consider this when booking your flight. Extra nights are only available on request!

### Please consider

In exceptional cases we reserve the right to offer accommodation that is not identical to that mentioned in this brochure.

# Brighton

## YOUR DESTINATION

Trendy and fashionable Brighton stands at the forefront of British popular culture, enchanting its visitors with its typically English charm. Brighton is perfect for young international students to meet up and spend their language holiday together on the beach. „The Lanes“ invite you to shop until you drop, the „Royal Pavilion“ and „Brighton Pier“ are two of the must see locations! Brighton is situated only 1 hour away from London, so full-day trips to England’s capital are also part of your language trip.

## YOUR ACCOMMODATION

You can either choose to stay in a 2-4 bedded room at a homestay or to stay together with other language students in our residence. The residence is directly on the seafront. However, students have to be at least 16 years old to stay at the residence. Since most of our host families aren’t directly in the city centre you might have to take the bus to school.

## YOUR SCHOOL

Our Sprachcaffe school is located very centrally. You can find everything you need very close by. The most popular gathering place for young people is the seafront but there are also many places to go to in the surrounding parks and streets. There is a maximum of 15 students per class and we will provide you with learning material throughout the course.

# Exmouth

## YOUR DESTINATION

Sandy beaches, beautiful bays, red cliffs and palm trees – welcome to the English Riviera which is situated in the very southwest of the country. Together with Cornwall, Devon is in the southernmost part of England. Due to the Gulf Stream, spring and summer are mild and sunny. Young people are all around the city, in the parks and on the gorgeous beaches enjoying a wide range of water sports.

## YOUR ACCOMMODATION

Book your accommodation in one of our lovely host families and experience the British way of life. As some families don't live directly in the town centre you may have to use public transport to get to the school. You will share the accommodation with other students to make new friends easily.

## YOUR SCHOOL

Our Sprachcafe school is in the town centre of Exmouth, only a few minutes away from the beautiful sandy beach. There are a lot of shops and typical English cafés where you can meet your new friends for a chat. There is a maximum of 15 students per class and we will provide you with learning material throughout the course.

Beautiful and ideally located close to London, Eastbourne welcomes you with its long award-winning beach on the coast of the English channel. Enjoy a stroll along the almost seven kilometer long beach front promenade and emerge to the bustling crowds of holiday-makers and international language students – definitely a place where you can make friends easily! Eastbourne is also known as one of the sunniest places in England, but do also be prepared for a typical English rainy day! So if the beach is not an option just head to one of the many shops, shopping centres, cafes in the town and practice your English while ordering fish and chips or scones with afternoon tea.

## YOUR ACCOMMODATION

Our private homestays will host you and other international students. You will share a 2-3 bedded room and your hosts will serve you breakfast and dinner. A packed lunch will be prepared for school. The approximate distance to school varies, please consider a maximum of 30 minutes travel time with public transport and/or walking.

## YOUR SCHOOL

Our centrally located Sprachcaffe school is the ideal place to study and work on your English language skills. Our qualified teachers will welcome you warmly and make you feel at home. There is a maximum of 15 students per class and we will provide you with learning material throughout the course.

**1. Enrolment:** Fill in the application form, scan it and send it to [schools@sprachcaffe.com](mailto:schools@sprachcaffe.com). A deposit of 20% of the total amount is due at the time of registration. With your application you commit yourself to the services requested and booking conditions. After having received your application and deposit we will send the confirmation of enrolment and the invoice. The welcome pack with extra information and the address of your accommodation will be sent after you have settled the remaining balance. The invoice must be paid in full four weeks before arrival.

**2. Change of booking:** Any change (e.g. arrival date, accommodation, etc.) required up to 28 days before departure will incur a fee of 50€ / £40 / \$65 or equivalent (USA in accordance with ACCET and local state regulations). Afterwards we will do our utmost, but cannot guarantee the fulfilment of the request made since extra costs may be incurred. In that case, the rebooking charge may exceed 50€ / £40 / \$65.

**3. Rebooking and cancellation:** If a booking is altered up to 28 days before departure we will be obliged to charge a fee of 50€ / £40 / \$65. After this period we cannot guarantee any requested changes and there will be a rebooking fee which may exceed the above charges. Interchanging students is free of charge provided the students are of the same gender and roughly the same age. In the case of cancellation of a group or individual members of the group (prior to the trip) after your booking confirmation you will be charged the following fees:

	Worldwide	USA	Canada

A cancellation insurance is available at 2% of the total amount (minimum 50€ / £40 / \$65). The insurance fee must be settled at the time of registration and will only apply if you cancel prior to departure due to health reasons (a written confirmation from the relevant doctor is required as proof). In the unlikely event the school is unable to create a group course due to an insufficient number of students of the same level, smaller classes for a reduced number of lessons will be provided instead (standard = 12 lessons / intensive = 18 lessons). Under the rare circumstances of our being forced to cancel, all fees paid for Sprachcaffe Languages PLUS services will be refunded. The minimum number of participants is 4.

**4. Visa:** In order to provide the letter of acceptance required by the embassy for issuing a visa, 40% of the total amount should be paid together with an additional charge of non-refundable 80€ / £65 / \$120 or equivalent (in USA and Canada this amount is included in the registration fee); non-refundable shipping fees may apply. In the case of visa refusal, a full refund minus the additional, non refundable fees can only be made if the student provides the letter of refusal issued by the embassy at least 14 days before departure (evidence of visa refusal is required). After this date we will consider the participation of the student as confirmed and normal cancellation/rebooking charges will apply. In case the visa has not yet been issued 15 days before departure, we strongly recommend postponing the course. In this case, the first rebooking fee will not be charged.

**5. Acceptable forms of payment:** By bank transfer: The relevant account number will be on the invoice. Please send us a copy of the transfer order. All bank charges will be incurred by you. By credit card: Upon your notification, the appropriate form will be sent. It will need to be completed with the name of the credit card issuer, card number, expiration date and signature. An additional 2% credit card fee will be charged.

**6. Insurance:** Neither agent, operator, nor the school will be held responsible in any way for any accident, illness, loss of personal effects or change in personal circumstances arising at any time prior to or during the course. We therefore strongly recommend our personal travel insurance (incl. Health, Accident, Liability, Deportation: Basic protection from 1,29€ / £0.99 / \$1.81 per person per day plus a service charge of 13€ / £10 / \$18).

**7. Liability:** Parents of minors agree that neither Sprachcaffe Languages PLUS nor the homestay shall be liable for damage or problems caused either negligently or intentionally by their children while participating in trips. Parents and their children who are still minors recognise and accept the laws and the normal code of conduct of the country which they are visiting.

**8. Rights to image and film material:** By agreeing to our general terms and conditions you are accepting that Sprachcaffe Languages PLUS has the right to use any photos, video and sound recordings which may be produced in the course of a language programme.
