YOUR STEPS TO SUCCESS.

Prior to your first lesson you will take a language assessment test covering grammar as well as vocabulary. This will ensure that you are assigned to a class with students of the same level. The grid below proposes the length of time it should take to reach your desired target. Please note that this table is based on an intensive course of 30 lessons per week.

The recommended duration to reach your goals will also vary according to individual skills, age and prior language exposure, amongst other factors. Although it is normal to spend 12 weeks at a level, it is sometimes possible to advance to the next level after 8 weeks of study. Policies regarding this vary from school to school.

						Starting Out: You would like to be able to talk about yourself, ask and answer simple questions, be familiar with basic phrases and interact with others in simple language with limited grammar and vocabulary.																					
						Making Progress: You would like to learn commonly used expressions, talk about life experiences, your job, your family or any other everyday topics.																					
						Moving On: You would like to be able to deal with most situations in a country where the target language is spoken. You would like to be able to express your thoughts and opinions on many topics with greater accuracy using a wider range of vocabulary and grammar.																					
						Moving Up: You would like to express yourself effortlessly without having to think in your own language. You would like to understand native speakers conversing with each other or the media and begin expressing yourself in a similar fashion.																					
						Reaching Out: You would like to be able to interact with native speakers with ease and a heightened degree of fluency. You would like to communicate spontaneously and effectively about complex and/or abstract topics.																					
						Taking Off: You would like to be able to understand and shape language more elaborately, while recognising different grades of meaning. You might want to use language more effectively for presentation or debate. You may want to use it for academic purposes.																					
										Your goals																	
										Present level																	
2 weeks	4 weeks	6 weeks	12 weeks	24 weeks	48 weeks	∞ weeks	2 weeks	4 weeks	6 weeks	12 weeks	24 weeks	48 weeks	∞ weeks	A0 - Beginner You have had little exposure to the target language either in your education or at work.		A1 - Elementary You are able to talk about everyday activities and use basic grammatical constructions. You can understand simple messages, instructions and directions.		A2 - Pre-Intermediate You are able to spontaneously deal with all kinds of situations, write letters, and read simple newspaper articles.		B1 - Intermediate You have a good comprehension of most non-specialised texts and a very good understanding of grammatical constructions.		B2 - Upper Intermediate You have a good level of competence and you are able to deal with the nuances of the language. You are able to discuss everyday topics and follow conversations.		C1 - Advanced You are a confident communicator, but at times there is a lack of vocabulary in specific areas. You can express your opinion with great fluency & accuracy.		C2 - Proficiency Having acquired a perfect command of the grammar and vocabulary, you can communicate almost as effectively as a native speaker.

Sharing the same apartment with other international students encourages you to speak in your target language. The fully equipped apartments are attentively furnished and generally self-catering. Single or double rooms are available.

Standard Apartments: are ideal for the budget-conscious traveller. The apartments, with fully-equipped kitchens and bathrooms, are sometimes directly on our campus or outside the school. At some locations you can also book breakfast, half or full board.

Comfort Apartments: offer a better standard of location, size, furnishing and equipment. The cleaning service is more frequent, usually twice a week. At some locations you can also book breakfast, half or full board.

Sprachcaffe Homestay

If you are interested not only in the language but also in the lifestyle, habits and customs of the host country, a homestay is a perfect choice. A variety of hosts are available, including families with or without children, as well as one-person households.

Sprachcaffe Guesthouses – Hotels

If you like a little distance from your lessons after school and more time for yourself, hotel accommodation is the right choice for you. You can choose from various types. For hotel bookings, double rooms are only available for two students who travel together.

Sprachcaffe Studios

Seeking more privacy? You have the choice of a studio with en-suite bathroom and cooking facilities. This is your own apartment and you do not share the kitchen or bathroom. Breakfast, half or full board is available at some locations at an additional cost.

Sprachcaffe Club Village & School Residences

Many of our schools offer the option of residential accommodation. The students live and learn under one roof, living together like one “big family”. Depending on the destination you can choose between standard and comfort accommodation, single or double rooms. Breakfast, half or full board are available in some locations at an additional cost.

Are you, as parents, planning a summer holiday with your children?

Why not learn a new language all together?

Our family package gives you and your teenagers (min. age 12 years) the chance to spend an amazing holiday. In class the teens make a lot of international friends of the same age. At the same time you, as parents, can focus on net-working with adult classmates from around the world or exchanging business related topics. In the afternoon there is plenty of time to either participate in the language school's activities or to spend some family time exploring your holiday destination.

Choose a programme for your kids from this brochure and ask us about your options as parents. Both solutions available: accommodations either in the same or in different rooms.
