Home to one of the world's most famous and prestigious universities, Cambridge has long been a key study abroad destination. Our school offers students the chance to study in a place that has produced 14 British Prime Ministers, nearly 100 Nobel Prize winners and countless other public figures.

St Giles Cambridge has an enviable location, just minutes from the railway station, and within easy walking distance of the city centre. The school is based in a traditional building, and following a recent refurbishment, classrooms are modern and well-equipped. This blend of the old and the new continues in the city – alongside beautiful historic buildings, you'll find a thoroughly modern city with a vibrant international feel, a thriving cultural scene and some great shopping and restaurants!

Thanks to the city's compact size, all accommodation options are within easy reach of the school. Trains to London only take an hour, and with such excellent transport links, Cambridge is an ideal base from which to explore more of the UK.
