

# ST GILES SAN FRANCISCO

St Giles San Francisco occupies four floors of an historic building which has been refurbished into a modern business centre. The building is located on famous Market Street in downtown San Francisco. The school is just two blocks away from a Cable Car stop, Union Square and the gates of Chinatown.

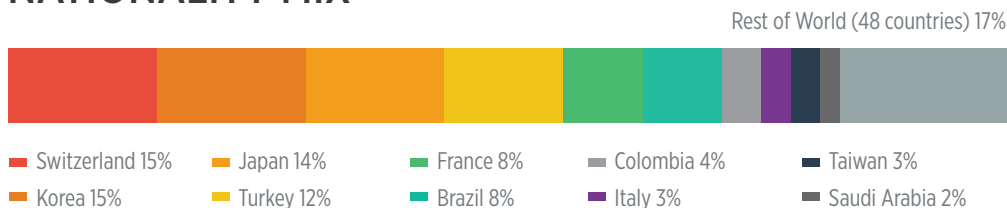

The school offers the latest facilities and resources for students, including interactive whiteboards in all classrooms, and a self-access centre with student computers.

San Francisco is a vibrant, cosmopolitan and international city which offers a warm Californian welcome to everyone who visits. There are many world-famous attractions to enjoy, from Alcatraz to the Golden Gate Bridge, to Fisherman's Wharf.

Our school matches the city's international feel with its great nationality mix and offers an exciting social programme to help you experience the city.
