

Fort Lauderdale is located on Florida's Gold Coast between Miami and Palm Beach. The city is known as "The Venice of the America" due to its 300 miles of waterways and canals and is the yachting capital of the United States.

Fort Lauderdale's arts and entertainment district, otherwise known as the Riverwalk Arts & Entertainment District, runs east-west along Las Olas Boulevard, in the heart of downtown. The district is anchored by The Broward Center for the Performing Arts and the nearby Hammershree Historical District. There you will find an array of outdoor cafés and pubs.

Las Olas Boulevard which is a popular thoroughfare in downtown Fort Lauderdale connects the central business district to the beach areas. Along the way from downtown to Fort Lauderdale Beach you will find art galleries, upscale boutiques, cafés and unique island neighborhoods lined with mansions and yachts. Fort Lauderdale is a very American city, English is the first language of 80% of the population, well above the national average. A very culturally affluent city, Fort Lauderdale has much to offer attracting millions of visitors from all over the world, it is a world class destination that can only be described as all-American.
