"The service at don Quijote was great! Before I went to Spain they contacted me and sent me all the information I needed. I was very nervous when I first arrived in Barcelona, because I was alone and it was the first time I was going to live abroad without being close to my friends or family. But there was someone from don Quijote waiting for me at the station and take me to my new home. At the school I got all the help I needed from the teachers and the other students. I'm really grateful to all of them."

MAIKO YAMADA | JAPAN

8 HOMESTAY: SPANISH TO THE MAXIMUM!

FRANÇOISE EPELBOIN | FRANCE

I also spent 12 remarkable weeks working for a Spanish company in Barcelona which was carefully selected by the school and suited to my skills and eagerness to apply my professional experience to a challenging new environment. INTENSIVE ACADEMIC PROGRAMS

ALL YEAR ROUND

INTENSIVE SPANISH SUPER INTENSIVE SPANISH SPANISH CONVERSATION

**10+5, 20+5 OR 30+5 CLASSES WEEKLY
8 STUDENTS PER CLASS MAXIMUM**

Duration: 1 – 52 weeks

Destinations: All don Quijote schools

Spanish level: All levels

Frequency per week: 10, 20 or 30 Spanish classes + 5 cultural classes

Participants per group (maximum): 8 students

Start dates: Any Monday, year round

Intensive courses are perfect for students of all ages who wish to learn as quickly and efficiently as possible through constant interaction and practice. Students will learn how to use grammar in context through a wide range of activities including: reading, discussions, conversations, viewing documentaries, listening to songs, watching films, etc.

In the Intensive Spanish program (20 classes + 5 complimentary cultural classes weekly) you will have 4 Spanish classes daily, from Monday through Friday in small groups of 8 students or less. For students who want to go the extra mile and advance as quickly as possible, both in terms of grammar and communication skills, then we recommend the Super Intensive Spanish program (30 + 5) which consists of 6 daily classes. If you already have a solid base of Spanish and are interested in simply practicing all forms of communication, then the Spanish Conversation (10 + 5) program will provide 2 hours daily of solid communication building skills such as listening, speaking, and writing.

Each class will take you one step closer to your ultimate goal: communicating with confidence in Spanish. For this reason we integrate a variety of skills in the classroom, and combine diverse tasks and activities in which the student is at the center of the activity. Our unique interactive teaching method insures continual participation and active learning.

We know that excellent teaching alone does not guarantee the success of a student in a language program. We believe that understanding the local culture is an integral part of a student's success. For this reason we offer students the opportunity to participate daily in a complimentary class or activity covering a topic of cultural interest. This means that all Intensive Spanish courses include an additional +5 cultural classes a week for free!

OUR METHODOLOGY

donquijote.com's teaching method replicates that of the other schools by leading you to immersion. We combine online textbooks, or appbooks, with 35 minute individual or group classes. Each student's progress will be evaluated by a tutor who will also guide them on their learning journey to help them get the most out of the experience.

Our classes are structured around clear goals; nothing is left to chance or improvisation on the part of the teacher, which makes us different than most online learning courses. Our teachers are professionals with university degrees, extensive experience and specialized training in teaching Spanish as a foreign or as a second language. And, of course, our Spanish teachers are native speakers who represent all of the different varieties of Spanish from around the world.

In our appbooks you can watch videos, listen to audio recordings, read texts and grammatical summaries. Our appbooks also contain a number of different activities aimed at helping you learn or review content as needed. Afterwards, you will put your newly acquired language skills to work in your classes with your teachers.

CHOOSING YOUR COURSE

Selecting the right course for you is easy. There are currently 5 courses available, each one aimed at different students. These courses can be combined with travelling to Spain with don Quijote, as they are usually taken before or after.

Our Spanish for University course is great for those who cannot travel to Spain or Latin America with us, and need accreditation, or want to gain university credits.

Spanish for Arrival is aimed at those who have already bought a course with us and want to practice before arrival, so that things are easier once at the school.

The Spanish for Conversation course is popular amongst people who have already learned with us and want to keep their Spanish up.

HOW TO GET STARTED

Signing up to donquijote.com is simple. Once you've chosen and purchased your course, your user name and your password to access the Campus will be automatically sent to the e-mail address you've provided us with. All you have to do to get started is log in at www.donquijote.com.

When you enter for the first time, you'll take a placement test, which will be followed by an interview with a tutor who will give you a short oral exam in order to be able to assign you your Spanish level and appbook based on the CEFR.

The rest is very easy. You can choose when you want to take your classes and who your teacher will be and if your class will be in a group or alone. Be sure to take a look at the teachers' information files to help you make your decision. Each class you take will be evaluated by your teacher to ensure that you're progressing correctly. And at the end, you will have an evaluation test, before you get your attendance certificate.

So go ahead and sign up to our latest Spanish School!

HOMESTAY HOST FAMILY

Most of our host families have worked with us since the very beginning, which says a lot about us. The families know from experience what the role of a good host is. Accommodation with a host family allows you to get the most out of your program by truly integrating yourself into local life. Experiencing real Spanish life everyday will help you quickly improve your Spanish skills. The word "family" should not be taken too literally because your family could be a single parent who takes in students because he or she enjoys the company or any other type of family. Also, keep in mind that many families live in apartments/flats rather than houses. Students will have their own keys so that they can enter and exit as they please. Also, phone calls can be received during your homestay.

Choose from accommodation with half board (breakfast and either lunch or dinner) or full board (breakfast, lunch, and dinner). Lunch normally takes place around 2 p.m. while dinner is normally served around 9 p.m. Keep in mind that eating customs and cuisine may greatly differ from your regular habits.

PRIVATE APARTMENT

This type of accommodation is ideal if you want to maintain your independence and enjoy a touch of 'luxury'. In every city, there are rooms of varying sizes and apartments from studios to multi-bedrooms. Apartments are fully furnished and equipped with a kitchen, bathroom, and all necessary facilities. Internet access and Wi-Fi upon request. These apartments are located in the cities' most central and fashionable districts.

ARRIVAL TIME

Arrival timer for all accommodation options is after 12:00 noon on Sunday before the course starts. Accommodation must be vacated by noon on Saturday after your course has finished. If you arrive a day earlier, or if you want to stay a day longer, get in touch with your don Quijote office to make the necessary arrangements.

100% SATISFACTION

You may change to a different family during the first week if you are not satisfied, because the most important thing for us is that you feel at home.

TOTAL INDEPENDENCE

You will always be given your own keys so that you can come and go as you please.

PERSONAL WISHES

Are you a vegetarian, allergic to house pets or do you want to be placed with a family with young children? These and other personal preferences should be communicated as soon as possible and we will do our best to comply.

FULLY EQUIPPED

In selecting host families, we do not look for luxury and comfort in the material sense. Nevertheless, you can count on personal attention, help and advice. You should not expect too much luxury in a student apartment/flat either, although, you will of course have all the necessary amenities.

LESS THAN 30 MINUTES

Except for Barcelona, Madrid, Tenerife and Valencia, where suitable accommodation is very difficult to find, your accommodation is always within walking distance of the school (maximum 30 minutes).

STUDENT RESIDENCE

If you are looking for an inviting and well-equipped stay just a quick walk from your classroom, our student residences may be the ideal accommodation for you.

Our Spanish student residences have a youthful, international feel and offer you all you'll need in one building: laundry facilities, TV, prepared meals or shared do-it-yourself kitchens, and areas for studying and socializing. All of our student residences in Spain offer individual, shared and triple rooms, Wi-Fi, shared TV, shared living/dining rooms and washing machines. Bed linens are provided; we suggest that you bring your own towels, for maximum comfort.

SHARED STUDENT APARTMENT SHARED STUDENT FLAT

In shared student apartments/flats you share a apartment/flat with four or five other students. We always do our best to accommodate you in a student apartment/flat with students of different nationalities. However, the common language is typically English. We suggest that you reach an agreement with one another to speak as much Spanish as possible.

Although the student apartments/flats are not luxurious, they are equipped with all the basic facilities (a bed, table, chair and a wardrobe). Each student apartment/flat has a living room, a television, a fully equipped kitchen, a washing machine and an iron. The kitchen and bathroom are shared and cleaning is the responsibility of everyone. In student apartments telephones are not provided but calls can be easily placed from public phone booths, or personal cell (mobile) phones.

PRIVATE AIRPORT PICK-UP SERVICES AND BUS OR TRAIN STATION

TRAVELING ALONE? YOUR FIRST TIME LIVING ABROAD? WOULD YOU FEEL MORE SECURE KNOWING THAT SOMEONE WILL BE WAITING AT THE AIRPORT TO TAKE YOU TO YOUR NEW HOME? YOU CAN RESERVE A 24 HOUR PRIVATE PICK-UP SERVICE AT AN ADDITIONAL COST IF YOU PREFER TO BE PICKED UP DIRECTLY FROM THE AIRPORT, BUS, OR TRAIN STATION. JUST LET US KNOW IN ADVANCE AND WE WILL BE THERE!

CULTURAL LIFE

VIDA CULTURAL

IMMERSE YOURSELF AND ENJOY

At don Quijote we believe that learning a language is so much more than just grammar and memorization.

In order to master non-verbal communication as well as oral communication it is necessary to have a solid understanding of the culture. In order to achieve this, we offer complementary theoretical and practical courses and workshops in order to introduce students to a wide range of cultural activities and situations.

These cultural lessons may include movies, writing, specific discussions about communication topics, and other cultural activities such as singing or dancing.

We also organize weekend excursions to surrounding cities and attractions that vary by school and location. Additionally, the school organizes language exchanges called "intercambios" between students and native speakers to practice language skills outside the classroom.

They organized activities outside of our class schedules that really helped me understand Spain a little bit more and were just a wealth of knowledge! I loved my host family. We would sit down for a homemade lunch every day and talk politics, current events, or just about life... and then siesta. AMAZING ARCHITECTURE

ABOUT SALAMANCA

The province of Salamanca is situated in the west of Spain on the border with Portugal. The city is large enough to be able to offer the advantages of a real city, but at the same time it has the warmth and amity of a town. The Spanish that residents of Salamanca speak is often considered the "purest" form of Castilian Spanish spoken in Spain. For this reason Salamanca is enormously popular with people all over the world who want to learn Spanish. Contacts are made easily. You don't have to arrange to meet as you are bound to see everyone in the Plaza Mayor, one of the finest squares in Spain and known as the living room of the Salamantinos. While it may be tempting to keep to fellow don Quijote students, Spanish university students are everywhere and encounter them everywhere you go.

ANDALUSIAN PERSONALITY

ABOUT SEVILLE

If you want to experience the folkloric heart of Spain - the scent of orange trees, the click-clack of flamenco shoes, women in bright polka dot dresses, and the heat of the Andalusian sun - Seville is the city for you. Spain's fourth-largest city and the capital of Andalusia, Seville equally maintains the warmth and friendliness of a small town. To say that Seville possesses a rich history would be an understatement: it has seen the glory of the Roman Empire, the luxurious sophistication of the Moors, and the Christian Reconquista, which eventually gave the city what is now the largest cathedral in the world. THE ISLAND FEEL

CUBA

ABOUT SANTIAGO DE CUBA

Santiago de Cuba is the country's second largest city and Havana's long-time rival in literature, music, and politics. The arrival of French settlers in the 19th century added yet another flavor to the diverse mix of Haitian, African and Spanish influences that make this cultural melting pot the most Caribbean of all Cuban cities. You can enjoy beautiful beaches year-round and stroll through the large, natural harbor that has made Santiago an important port city for nearly five centuries.

ABOUT TRINIDAD

Trinidad is a small, beautiful colonial Cuban town. A magnificent sandy beach lies just a short bus ride from the town center. At night, the atmosphere is wonderful, with live music and Salsa dancing in almost every corner. The town of Trinidad, together with the nearby Valle de los Ingenios, has been a UNESCO World Heritage Site since 1988. Trinidad has been one of the best-preserved cities in the Caribbean from the time that the sugar trade was the main industry in the region. Nowadays, tobacco processing is the main industry.

OUR PARTNER COLLEGES

Our partner schools in Cuba are unique in that they are not held in one central building! Your classes will take place either in your teacher's home, in the home of your host family or, for certain

mini-group courses, in a Cuban cultural center. In all three cases, you will learn Spanish surrounded by native speakers and with well-trained, highly-educated teachers of Spanish.

WHAT WE LOVE ABOUT SANTIAGO DE CUBA AND TRINIDAD

Renowned for its welcoming, cheerful atmosphere and Caribbean personality, Santiago de Cuba is a wonderful place to learn Spanish in a warm, nurturing, picturesque, and very safe environment. Some tourism is now starting to reach

Trinidad, but it is still largely unspoiled. However, being much smaller than Havana and Santiago de Cuba, with fewer students and more difficult to reach, Trinidad is really for students who are a bit more adventurous.

Havana is a city of faded glory but also one of unbridled high spirits; a city where little is allowed but where much more is possible. After years of undeniable decline, this impressive metropolis, now included in the UNESCO list of World Monuments, is rising like a phoenix from its ashes.

Havana is a melting pot of cultures and races, an open-air museum under the strict direction of Castro, it is a city that you must learn to appreciate. Apart from the picturesque colonial inner city, the Playas del Este and the famous Malecón (the immense boulevard that most consider to be the living room of Havana), you should make time to discover Vedado. This is the part of Havana where the host families live and where you will find many Art Deco buildings that would be considered national treasures in many other countries.

A large sea turtle, likely a Galapagos tortoise, is the central focus of the image. It is resting on a dark, rocky beach. The turtle's shell is a light brown color with distinct scutes. Its head and front legs are visible, showing a scaly texture. In the background, the ocean is a vibrant turquoise color with white-capped waves breaking against the shore. The sky is a deep blue with scattered white clouds. The overall scene is bright and clear, suggesting a sunny day.

GUANAJUATO

COLONIAL BEAUTY

MEXICO

ABOUT **GUANAJUATO**

The city of Guanajuato, at 1,996 m above sea level, is one of the most important historical and cultural colonial cities in Mexico. Guanajuato is located in one of the richest silver mining areas of Mexico, and is well-known for its wealth of fine colonial era Spanish architecture. In 1988, UNESCO declared Guanajuato and the surrounding silver mines a World Heritage Site. The city was originally built over a river, which flowed through tunnels underneath the city. However, after years of raising buildings to accommodate repeated flooding, in the mid-twentieth century engineers built a dam and redirected the river into underground caverns. The tunnels were lit and paved with cobblestones for automobile traffic, and this underground road carries the majority of cars driving through the city today. It is one of the most noticeable features of the city. Each October the city holds the Festival Internacional Cervantino, an international festival of the arts named for Miguel de Cervantes.

OUR **COLLEGE**

Our school is located right in the city center in the 'Barrio Pastita' only a 10 minute walk from the 'Teatro Juárez'.

The school has 15 classrooms and a capacity for 110 students/day. Other

facilities include an interior patio, a teachers' room, a students' office, a multimedia classroom and a recreation area.

WHAT WE LOVE ABOUT GUANAJUATO

As a small, quiet university city far from the tourist crowds of Cancún and Cuernavaca, Guanajuato is the ideal spot to study Spanish in Mexico. Guanajuato will charm you with its architectural and cultural wealth. The international airport, less than half an hour away, provides the city with excellent connections with other cities in Mexico and with the rest of the world.

PERU

ABOUT **CUSCO**

Cusco is the oldest city in the Western Hemisphere. Set in a mountainous region considered among the most beautiful on the planet, Cusco was once the flourishing capital of the Inca Empire. Natives and visitors alike consider it the most impressive of all Peruvian cities for both its history and its remarkable mix of Incan and Spanish colonial architecture. And we've yet to mention the breathtaking beauty of the local terrain and the warmth of the local people. Cusco is an ideal base from which to explore Peru, since it's situated in the same region as the ruins of Machu Picchu and the Inca Trail. Because the city lies at a high elevation, nights can be cold and days cool.

126. In the event that a credit note is granted due to exceptional circumstances, the credit will only be valid for up to 12 months (from the date the credit note is granted). Once this period of 12 months ends, the student loses the right to the credit. Credit issued is valid for one year from the date of issue. Credit is valid only for the geographic region for which it was issued (i.e. credit issued for Spain is not valid for courses in Latin America) and is non-transferable to another student.

127. For all reimbursements we will charge an administrative fee to cover the administrative costs of returning your money (see point 14.4), as well as the standard fee for changes in the reservation (100 € | USD 150) as stated in point 8.3.

128. Refunds must be requested during the 30 days following the completion of the course or cancellation. Once this period is complete, the student no longer has the right to request any refunds.

129. In the event of a cancellation or course reduction, original prices will be applied whether or not the student has opted for a special discount or promotion. For example, if due to the length of the course, the student received a discount at the time of booking, on cancellation this will be lost.

1210. Students who require any type of invitation letter to obtain a student visa for their course and have to cancel due to denial of the visa, must send an official original certified document directly from the Embassy. If this copy is not received by don Quijote, 100% of the cost of the program will be charged.

1211. For cancellations after an invitation letter is issued, the penalty will be the one explained in points 12.2, 12.4 and 12.6, plus the cost of sending the invitation letter or the express courier option was selected.

1212. For students who already have visas, cancellations will only be considered once the student provides proof of leaving the country and once the visa obtained through don Quijote is no longer valid. In addition, the cancellation will only be valid on the student's return to their country of origin.

13. GOLD OR SILVER CANCELLATION GUARANTEE

131. We recommend one of our special cancellation guarantees if you are taking a course in Spain, Costa Rica (Santo Domingo de Heredia), Ecuador or México (Playa del Carmen, Guanajuato, and Oaxaca) that is longer than 2 weeks. The cost of this guarantee is 4% (Silver) or 6% (Gold) of the total sum of the full program invoice (non-refundable) and the cancellation guarantee must be signed and paid in full upon at least 15 days before arrival in order for it to be valid.

132. With the "Silver" cancellation guarantee you will be able to cancel your program under certain circumstances: securing a job with a duration of at least one year; serious illness or accident resulting in hospitalization; death of the insured, in-law, their spouse, direct ascendants, descendants, siblings, siblings to court proceedings or as a member of an electoral board; summons for major surgery with hospitalization of the insured and their spouse; placement for the adoption of a child; organ transplant to or from the insured, their spouse, direct ascendants, descendants, siblings, brother/sister-in-law, son/daughter-in-law, father/mother-in-law; the cancellation of a registered and insured companion obliging them to travel alone; bankruptcy of the travel agency or cancellation of the trip by the airline; natural disaster.

133. With the "Gold" cancellation guarantee you can cancel all or part of the course for any reason.

134. When a cancellation is made and you need to use the cancellation guarantee, we will refund the cost of your course and accommodation if you cancel your course at any time from your arrival date until the end of your course. Your guaranteed refund will NOT include: your enrollment fee and services already used at the time of cancellation (if the student makes that cancellation on a Monday, otherwise both the week of cancellation and the following week will be charged), the cost of the guarantee itself and 4% of the amount to be refunded (minimum of 65 EUR | USD 90) to cover administrative costs.

135. In order to cancel a language program, the student must give notice via e-mail to se@donquijote.com We will make the day following the day on which the e-mail is sent as the official cancellation day of the course. Until an e-mail is received the cancellation will not be valid. For this reason it is important that the student is certain that the e-mail has been received.

If the student is covered under the Silver Cancellation Insurance then they will have a maximum of 15 days starting from the day the e-mail is sent to produce the necessary evidence to back up the motive for their cancellation. If the student is covered by the Gold Cancellation Guarantee, this step is not necessary. The money will be returned within 30 days of the official cancellation date.

136. The cancellation guarantee is personal and non-transferable and is only valid upon the students' arrival at the school. Students who require and have obtained the visa through don Quijote can buy the cancellation guarantee but cancellations will be only considered once the student provides proof of leaving the country. In these cases 8% of the amount to be refunded will be charged to cover administrative costs.

137. If you have enrolled for a course that is over 5 weeks long and you use the cancellation guarantee, you should be aware that prices may change depending on how many weeks you'll be doing eventually. That is, if you enrolled for 12 weeks and unfortunately you need to reduce your course to 4 weeks, the 4 week prices will be applied.

14. REFUNDS

141. Refer back to points 12 and 13 (cancellations).

142. Following the request or after the examination of all documents in the case of the cancellation guarantee by bank transfer, a refund will be given within 30 days.

143. Refunds can only be made and money can only be transferred to the student who booked the course or to the account from where the payment has been made. Refunds will never be made out to anyone other than the student or the guardian who paid for the reservation.

144. For all refunds we will charge an administrative fee of 10% of the amount to be refunded (a minimum of 55 EUR | USD 95). Refunds of small amounts (less than 100 EUR) will be paid by Spanish check at no extra cost whilst the student is still in Spain otherwise the refund will be made by bank transfer and will carry a minimum administration fee of 35 EUR.

15. CUSTOMER SERVICE

151. 152. Any complaints need to be given in writing and within the first 24 hours. Otherwise students will lose the right to any compensation, refund or changes. don Quijote will accept any suggestions after departure date or requests only on an information level and to improve our services.

CONDITIONS OF OUR TRIPLE GUARANTEE

There is no risk in choosing a don Quijote/IEG program because you'll get the best program at the best price!

1. **100% PRICE GUARANTEE** – In order to qualify for the price guarantee (applicable to Spanish language courses only, accommodation is excluded), the other program's price needs to be at least 10% less than don Quijote/IEG's published price AND the program needs to be comparable. Comparable means: in the same city, an equal amount (or more) of Spanish instruction time, same (or fewer) maximum students per class, same quality of instruction. don Quijote reserves the right to disqualify certain programs where the quality of instruction may be in question. This is determined by several factors including teachers' qualifications, years in business, international recognition and qualifications. Simply include a copy of the other organization's price sheet or a link to their website where the price is in print. As long as the program is equivalent to our program we will honor their price and discount another 20% of your enrollment fee!

2. **SATISFACTION GUARANTEE** - Your satisfaction is our main concern. If on your arrival you are not satisfied with any of our services, just notify the school in writing within 24 hours of your first course day (these apply as well as for any problems that might occur during your stay). We'll rectify the situation within 2 working days. If you still feel that the services are not in accordance with the brochure description, we'll sit and discuss the issue, with 2 possible outcomes. Either we'll agree that the service has not met our guarantee and refund your course and lodging fees or if we can't agree, we'll allow an independent arbitrator appointed by the regional Spanish government to determine if the situation warrants application of our money back guarantee.

3. **CANCELLATION GUARANTEE** - When you purchase one of our cancellation guarantees, you protect yourself against the unexpected events that might cause you to cancel your course. For full details see point 13 on this page.

You can pay by credit card through our secure online payment website: <https://secure.donquijote.org/payment/>
Please ask us for your student number.

By bank transfer to don Quijote Please put the student's name and "don Quijote" on all documents relating to transfers.
