Housing

U.S. Student Services provides various types of housing to international students.

Homestay:

The homestay experience is a unique accommodation choice for students because it welcomes them into an American home. Students who choose to live with a homestay family are looking for a safe, welcoming, and comfortable atmosphere in which they can be introduced to American customs, traditions, and family lifestyles. The home allows them to practice their English on a daily basis and enjoy homemade meals in a familiar setting. Homestay families typically plan special events such as family outings and guided tours of the city for the student. The homestay program carefully matches students with appropriate families. Here, we see friendships form that last a lifetime.

Dormitories:

This is the best option for independent students. The dormitory offers a fully furnished room, either quad (4 people), or double (2 people) or private (individual). No meals are provided, but a fully furnished kitchen is available. All dormitories are within 35 minutes by bus from Mentor Language Institute, using only one bus line.

Currently we have 9 dormitories, named by the streets where they are located: Ashton, Beverly Glen, Crescent, Detroit, Maryland, Melrose, North Hollywood, Pico and Selby. All dormitories are conveniently located close to shopping areas.
